Producer Name  
Rural Route or Street Address  
City, State Zip Code

Dear Producer:

A State, including political subdivision and agencies thereof, is collectively considered as one "person" for payment limitation purposes, and therefore may not receive payment or "permitted entity" designations exceeding the amount afforded one "person." To be eligible for payment, each "person" must be determined "actively engaged in farming" and in compliance with highly erodible land conservation and wetland conservation provisions.

If you intend to participate in the 2003 Direct and Counter-Cyclical Program, you must enroll by June 2, 2003. All combined State producers may develop a method for disbursing program payments subject to limitation and inform the Oklahoma State FSA Office, 100 USDA, Suite 102, Stillwater, OK 74074 by no later than June 2, 2003. If no method is given, the Oklahoma State FSA Office will conduct a drawing, open to the public, on Friday, June 13, 2003, at 10:00 a.m., for selecting a payment order in which participating combined State producers will receive payments subject to the limitation.

If a drawing is conducted, you will be notified of the results.

Sincerely,

County Executive Director
